Plain Language

DigitalGov describes plain language as clear and easy to understand. [C01]

Write for the reader

DigitalGov says public text should fit its reader. [C02]

- Plain language uses clear words. [C01]
- Public content serves its intended reader. [C02]

Idea	Source principle
Clear words	Make content easy to understand. [C01]
Reader	Write for the intended audience. [C02]
